

# First Sacraments Contract 2018-2019

We, \_\_\_\_\_ and \_\_\_\_\_, parents of \_\_\_\_\_, recognize that as parents, we are the first Catholic educators of our child(ren). In enrolling our child(ren) in the First Sacraments program at Holy Redeemer, we promise to...

- Have ongoing dialogue with our child(ren) throughout the sacramental year to help properly prepare him/her/them for both First Reconciliation and First Communion.
- Bring our child(ren) to all classes, meetings, and events required in the First Sacraments program.
- Be actively involved and engaged in our child(ren)'s formation both at home and at the parish through completing family home lessons, participating in the monthly challenges, and attending necessary meetings and events.
- Follow the *First Sacraments Checklist* to be sure all requirements are met.

We understand that the First Sacraments preparation program offered at Holy Redeemer and/or our child(ren)'s Catholic school are supplementary to the Catholic education we will provide at home for our child(ren).

Acknowledging the central place of the celebration of the Mass in Catholic life, we will fulfill our weekly obligation to Sunday Mass and especially work on developing our child(ren)'s participation in Mass each week.
